

Ss. Peter & Paul's Parish, Athlone

Volunteer Form

We are currently recruiting new members to the many ministries in our parish. New members will work alongside the many people who currently volunteer their time to benefit the life of the parish community.

Some of our ministries are church service based, some are prayer based and others are in planning and helping build a social life with the context of parish.

We encourage those interested in any of the ministries mentioned over-leaf to complete the form and return it to the parish office or sacristy.

Full training and ongoing support will be given to all who volunteer for these ministries.

We take this opportunity to thank the many people who have shown great commitment to our parish over the years and look forward to continuing to work with you in the future.
