We give thanks

- We give thanks to you, O Lord,
For what you've blessed us with
The abundance of the blessings
From heaven that you give
- We only need to look around
At what you, Lord, have given,
To see the many blessings we have
And see your full provision
- For we have all received from you
The abundance from your hand
In many varied and different ways,
You've blessed us in this land
- So, Lord, to you we give our thanks
With full and grateful hearts,
The blessing of family, friends and
love
And just for who you are.
