New Year 2021

2020 has, for everyone, been a challenging year. It was also a year when we learned about what was really important in our lives.

As we begin the new year we renew our gratitude to the many front line workers who so generously work to ensure our safety and to look after the sick and vulnerable.

It is with heavy hearts that we are in lockdown as we enter 2021, however it is with hope that we look forward to a brighter year with the vaccines for Covid-19 becoming available.

Today let us turn to God in prayer to ask his help to make peace with 2020, to acknowledge how we have grown through the experiences we have had and to give us the strength to face the future.

As we begin 2021 let us renew our resolve to look out for and support the more vulnerable members of our community as we all move together towards a brighter future.

Stay Safe = Stay Well
